

PRIVACY POLICY

Your privacy is important to us. To better protect your privacy, Ag Processing Inc a cooperative and its affiliated companies or licensors (“AGP”), provides this Policy to explain AGP’s information practices in connection with your use of this application (“Application”). This Policy applies only to information AGP collects in this Application and in other electronic communications sent through or used in connection with this Application. This Policy does not apply to information AGP may collect online or information collected by any other website, including a website you may access through use of this Application. Further, this Policy does not apply to information you provide to or is collected by any third party. AGP encourages you to read each applicable privacy policy clearly before providing information on or through a website or to a third party.

If you do not agree with AGP’s policies and practices set out in this Policy, then do not download, install, register with, or use this Application.

THE INFORMATION AGP COLLECTS

To use this Application, you will be required to directly provide to AGP certain information. AGP may also collect certain information automatically when you use this Application.

When you download, install, register with, or use this Application, AGP may ask you to provide information:

- By which you may be personally identified, such as a name, postal address, email address or telephone number, or any other information this Application may collect that is defined as personally identifiable information under applicable law.
- That is informational to the services being provided by AGP in connection with this Application, but does not individually identify you.

This information is provided by you to AGP when filling out forms on this Application. AGP may also ask you for information when you report a problem with this Application. AGP may also keep records and copies of your correspondence if you contact us.

The information collected may also include details of transactions you carry out through this Application and of the fulfillment of each transaction.

Your participation is always optional. Any information you transmit to AGP shall remain AGP’s exclusive property. You may review and change your personal information by logging into this Application and visiting your account profile page.

HOW AGP USES YOUR INFORMATION

AGP uses your information to provide you with this Application and its content, and any other information, products or services you request from AGP. AGP may disclose personal information that AGP collects or you provide to its own subsidiaries or affiliates, or to otherwise fulfill the purposes for which you provide such information to AGP. AGP will not knowingly disclose such information to third parties; provided that AGP may disclose your information to comply with any court order, law, or legal process, including to

respond to any government or regulatory request or to otherwise enforce any rights arising from a contract entered into between you and AGP, including this Application's Terms of Use. AGP endeavors to follow industry practices and standards to protect against accidental loss or from unauthorized access, use, disclosure or alteration of any information AGP may collect. The safety and security of your information also depends on you. You are responsible for your password used to access this Application and for keeping the password confidential. Unfortunately, the transmission of information via the internet and mobile platforms is not completely secure. Although AGP does its best to protect your personal information, AGP cannot guarantee the security of your personal information transmitted through this Application. Any transmission of personal information is at your own risk. AGP is not responsible for circumvention of any privacy settings or security measures AGP provide.

CHILDREN'S PRIVACY

Protecting the privacy of the young is important to AGP. This Application is not intended for children under 13 years of age, and AGP does not knowingly collect or maintain personal information or any other identifying data from children under 13 years of age on this Application. If AGP learns it has collected or received personal information from a child under 13 without verification of parental consent, AGP will delete that information.

CHANGES TO THIS POLICY

AGP may update this Policy, from time to time, and will publish any updated Policy to this Application. Your continued use of this Application after AGP makes any such update is deemed to be acceptance of those updates, so please check this Policy periodically for updates.
